Trail Boss Training-Fall 2018

The USDA-Forest Service, Los Angeles River Ranger District, and the Greater Los Angeles Area Council-High Adventure Team invite you to attend the next of the on-going series of Trail Boss Training sessions.

- When: September 1, 8:00 am to not later than 3:00 pm.
- Where: Please contact one of the sources listed below, **after August 24**, for the location of this event and directions for getting there.

The objective of this High Adventure training is to train and qualify adult volunteers to organize and supervise conservation projects by sponsored groups, such as a Scout Unit. Interested persons may begin this field training whenever a session is offered and proceed through it at the convenience of their schedule and interest. Only adults may take this training, which is offered free to anyone who is interested in doing conservation work in the Angeles National Forest. Registration is not required; just show up at the indicated time and place. Persons already certified as Trail Bosses are encouraged to attend, to assist with the training and to upgrade their skills. The next session of Trail Boss Training is scheduled for May 2019, California Trails Day, April 2019, will also provide some training opportunities. An Administrative Pass, valid for this date, will be provided for vehicles that lack an Adventure Pass.

If this is your initial session, you will be given a Trail Boss training card and a syllabus, "Trail Boss- Program and Practices". A companion syllabus, "Forest Conservation", is available for those who are interested in doing conservation projects of that type. You may also be given an USDA-FS brochure, "Volunteer Applicant Packet", which briefly describes the Forest Service's volunteer program and contains an application form.

Hike Aide 3, "Full Dimension High Adventure Training", has a complete discussion of the training programs of the GLAAC-HAT. It may be downloaded from the Council High Adventure website <http://glaac-hat.org/HikeAids.html>. Clothing and Equipment

Persons attending need to be dressed and equipped to do a full day of trail work. The fashion conscious volunteer wears long pants, long sleeve shirt, work boots, gloves, and a broad-brimmed hat. These are supplemented with sunscreen/sun block, dark glasses, insect repellent, and lots of water. Sneakers/sport shoes are not appropriate wear when swinging a Pulaski and moving large rocks. Conservation project sites tend to be hot, sunny, dusty, and lunchrooms for insects. Bring your lunch and whatever snacks you need to get through the day – these training sessions are usually at remote sites in the Angeles.

Adult Leaders Backpack Training Fall 2018

The Greater Los Angeles Area Council's High Adventure Team will conduct its Fall 2018 backpack training program for adult Scouters on **two Saturdays**: Sept. 8, 2018 and Sept. 15, 2018, with a backpack outing to be arranged. Its objectives are:

- ❖ to acquaint you with a basic understanding of how to plan and conduct outdoor activities;
- ❖ to stimulate your participation and leadership in a High Adventure Program at the Unit level; and
- ❖ to inform you of the many programs and activities of the GLAAC-HAT.

This High Adventure training provides an overview of the basics: leadership; planning & preparation; equipment & clothing; menus & cooking; orienteering, route finding and mountain travel; conservation; risk & safety; and program awards & procedures – the necessities for safe and enjoyable outings. The importance of training and transferring leadership to your Scouts is stressed. While the emphasis is on backpacking, it is generally applicable to all types of outdoor activity. This is the next step beyond the camp-craft skills that are covered in Outdoor Leadership Skills (OLS).

The seminar is conducted at the Trask Scout Reservation. Registration takes place 6:30-8:00am on Sept. 7. The programs will run from 8am-4:30pm on both Saturdays. Breakfast and lunch are provided. Participants may bring their gear and camp (free) at the facility. Also, please bring a compass, paper and pencil – everything else is provided. A syllabus that covers the materials discussed will be given to each participant.

You will be asked to select and take a weekend backpack trip (5-7 miles, round-trip, in the local mountains) from among several to be offered in October and November and led by the GLAAC-HAT Staff. Each person is responsible for providing his/her own clothing and equipment. An Adventure Pass for your vehicle is required at many of these locations.

A fee of \$90.00 is charged for this training, when received at GLAAC-Camping by September 1; \$100.00, after that date. This fee will include breakfast and lunch on both Saturdays. **Early registration is mandatory to ensure sufficient meals, snacks, and course materials. This class is limited to 30 participants.** Persons whose registration is received by Sept.1st will be sent a confirmation, map of location, and other details. Completion of this training is recognized by the award of a special patch.

Desert Camping and Travel Training - 2018

Look north and east, beyond the mountains that surround Los Angeles – it's a desert out there. Actually three – Sonora, Mohave, and Great Basin – and they provide numerous opportunities for hiking and camping.

The objectives of this training are to acquaint the adult Scouter with an understanding and appreciation of the uniqueness and special qualities of the desert environment and to emphasize those backpacking skills that are essential to having a safe and enjoyable experience.

This High Adventure training begins with a seminar Saturday, September 22, 2018, 8:00 am to about 4:00 pm, at the Cushman-Watt Service Center, 2333 Scout Way, Los Angeles. There will be a 45-minute lunch break; participants may bring lunch or purchase it from a nearby take-out. The seminar is conducted as a series of demonstrations and presentations. They consider the unique, harsh reality of the desert, and cover: special equipment and clothing; menu planning; desert travel and route finding; water requirements and conservation; safety and first aid; equipment and other needs for vehicles. A syllabus that covers the materials discussed will be given to each participant.

During the seminar, we will select a date and plan for a weekend backpack trip to Joshua Tree National Park (The Park has a \$25.00 per vehicle entry fee). A backpack trip of about 5 miles, round trip, to a dry campsite, provides the opportunity to demonstrate the seminar topics. After setting up camp, we will climb Queen Mountain - a "good" cross country workout.

A fee of \$25.00 is charged for this training. Registration is required by August 31. You will be sent a confirmation, or a notice of cancellation if there are fewer than 5 sign-ups by that date. Completion of this training is recognized by the award of a special patch. Completion of this training is a requirement for earning the High Adventure Leader Award.

It is recommended that participants have completed Adult Leaders Backpack Training.
